RBA Audit

This statement refers to the following Audit:

Code: RBA (Responsible Business Alliance)
Audit ID: G-AU-10016383
Date: 11.05.2026 – 13.05.2026

Sensirion AG successfully completed the Responsible Business Alliance (RBA) audit at its Stäfa site, achieving a score of 138 points. While this result did not yet qualify for an RBA recognition plaque, the audit confirmed strong performance in key areas, particularly in employee interviews and ethical business conduct. The audit did not identify any priority findings. Identified improvement areas are being addressed through targeted corrective actions, reflecting Sensirion's commitment to continuous improvement, transparency, and responsible, sustainable operations.

We will keep this statement updated
